

Carpet Spotting Kit

IT'S HERE! The New SSS "EMERGENCY" SPOTTING KIT.

Carpet care experts know that every spill is a potential spot or stain and needs immediate action.

Kit Contains

SPOT SOLVENT PLUS - New fresh scent for best selling aerosol solvent spotter. Great for ink, grease, tar and oil.

ALL PURPOSE SPOTTER - Soil suspender. Great for sugars, foodstuffs and drinks. Removes Betadine. A solvent detergent emulsion.

LIQUID SOLVENT SPOTTER - Non-volatile, water based solvents for removing grease and adhesives. Works well on olefin fibers.

BIO-ENZYMATIC SPOTTER - A blend of good bacteria that produce enzyme action. Dissolves organic matter such as urine and vomit.

CARPET RINSE PLUS - "Fresh" aroma remains after rinsing. Always the final step. Neutralizes alkalinity, balances pH.

RED STAIN REMOVER - Takes away color from juice and food spills. Works quickly on recent spills. Use with BOOST for long term stains.

COFFEE STAIN REMOVER - Eliminates the number one carpet emergency. Specially formulated for coffee and tea, brown and light rust stains.

BOOST - A color safe oxygen bleach for use on all synthetics. Use on long-term stains for amazing results. Used to improve efficiency of other spotters.

MSDS - A product MSDS sheet on each product is included in the kit.

Also Included

MICRO POWER MITT - Amazing absorbency, tremendous cleaning. Durable. Use wet or dry. Guaranteed for 500 washings.

TAMPING BRUSH - The professional way to loosen and agitate dry, hard matter and work chemicals into soiled areas.

BONE SCRAPER - For loosening embedded gum and other difficult matter.

MICROFIBER CLOTH - For blotting. Tremendous absorbency. Use on almost any surface.

PROTECTIVE GLOVES - Practical for many spills, body fluids, etc.

SPOTTING GUIDE - An easy to read guide which directs you to specific stains and removal procedures.

Also Available

RUST REMOVER - A safe, effective liquid even on long term stains.

GUM REMOVER - Freezing action. Great for recent gum deposits.

SOLVENT CLEANER - All solvent blend for adhesives, paint, ink and other stains needing dwell time.
