What the Pros Know

Shower Max is the most complete restroom cleaner on the market today. It removes hard water deposits, mildews and soap scum from tile, shower doors & chrome plated fixtures, toilet bowls, sinks, tubs & spas.

Shower Max is formulated to dissolve soap scum without scouring. It cleans shines and deodorizes in minutes.

- Fast acting, heavy duty - Powerful labor saving cleaner
- Ready-To-Use - Saves time; no mixing
- Mild-acid formula - Will not harm plated fixtures
- Fresh smelling, powerful deodorant - Leaves rooms smelling fresh and clean
- Clinging viscosity - Clings; more efficient cleaning
- Contains biodegradable surfactants - Environmentally safe

Formulated to cling to vertical surfaces, this product provides the needed dwell time to tackle your shower room cleaning needs. It quickly removes water solids, soap scum and rust from tubs, sinks, tile, shower doors and chrome plated fixtures with no subsequent pitting or discoloration. The thick, mild-acid formula is nonfuming, nonabrasive and leaves a pleasant fragrance.

Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

For Showers, Bathtubs And Fixtures:

Apply cleaner to the surface. Allow the cleaner to set for one minute. Brush or scrub with a sponge or brush, then rinse dirt away.

For Toilet Bowls:

Use a brush or bowl mop to push excess water from the bowl. Squirt cleaner onto the mop, scrub, then flush.

For Spray Applications:

Dilute 1 part cleaner with 4 parts water.

Apply diluted cleaner, allow it to set for a few minutes, scrub with brush or sponge, and rinse dirt away.
