Your local Triple S sales consultants can help solve your toughest cleaning and maintenance challenges.

Our sales consultants will take the necessary time to become familiar with your facility and tailor a program for you.

Triple S is a nationwide organization of the leading janitorial and sanitary supply distributors.

Our Member-dealers are trained to provide your facilities with healthy, lowest total cost solutions

INFECTION CONTROL

We know patient health and safety is a high priority for your facility. Our products and solutions will minimize the risk of hospital-acquired infections (HAI).

- Hand hygiene and skin care solutions
- EPA registered, hospital-grade disinfectants and sanitizers
- Personal protective equipment
- Bloodborne pathogens training
- Waste disposal management
- HEPA quiet vacuums
- Chemical-free cleaning solutions
- Microfiber mopping systems that reduce cross-contamination

ACHIEVE CLEANING MAINTENANCE SOFTWARE

Keeping your facility clean is more than buying cleaning supplies and equipment. Often times labor comprises 90% of a facilities' cleaning budget. Our software can help you assess what you are doing now and how to improve your processes so you can get better results.

SUSTAINABLE CLEANING PRODUCTS

Our array of EarthCare™ green cleaning supplies will help you meet your sustainability goals, limit patient exposure, and keep your facility clean.

CHEMICAL MANAGEMENT SOLUTIONS

Our goal is to help you reduce the amount of chemicals your facility uses. Less chemicals means less risk of exposure.
