What the Pros Know

Using Green Seal Certified Products conserves natural resources and protects human health. For best results, use a microfiber mop pad.

Description

- A mild, neutral cleaner that will not damage floor finishes. For use on vinyl, ceramic, laminate and wood floors.
- Concentrated formula - each 1.5 oz. pack makes four gallons of daily floor cleaner.
- Leaves floors with fresh floral fragrance.
- No harsh chemicals, non-toxic and biodegradable.
- Not considered hazardous according to the 2012 OSHA Communication Standard (29 CFT 1910.1200).

Directions

Wear PPE recommended on SDS, when used on floors place wet floor signs and read all directions and cautions prior to beginning your work.

Fill mop bucket with four gallons of cold water.

Tear off one pack of SSS PrecisionPak pH 7 Floor Cleaner/4. Carefully cut or tear corner of pack.

Mix in contents of one pack of pH 7 Floor Cleaner/4 into mop bucket. Rinse and discard pack.

Apply solution directly to floor.

Just Add Water
