Uses

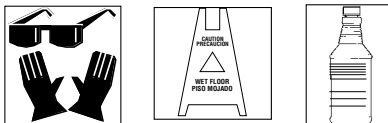

This ready to use solvent surfactant blend contains additional color removing agents for most red stains. Use promptly to remove Betadyne, red food dye and protein based spills.

Specifications

SOLUBILITY IN HARD WATER complete
APPEARANCE liquid
ODOR characteristic
FLASH POINT none to boiling
pH 7.0 ± 0.5
SPECIFIC GRAVITY . . . 1.020 ± 0.005
SHELF LIFE one year minimum

Directions

Wear Safety Equipment Recommended on MSDS, place Wet Floor Signs and Read All Directions and Cautions Prior to Beginning your Work.

Blot and absorb excess foreign matter. Test in an inconspicuous area. Apply to affected area and work into center. Agitate with Micropower Mitt or tamping brush. Rinse with Carpet Rinse or Carpet Rinse Plus. For stains of long duration, follow with diluted Boost. While heat is not necessary to activate chemicals, it may help on certain post-dyed carpet fibers.
