What the Pros Know

A pH balanced hand soap reduces skin drying commonly caused by frequent hand washing.

- Ideal for general purpose hand cleaning applications
- Pleasant almond fragrance
- pH balanced -Mild to skin
- Dispensed liquid - More sanitary than bar soaps

This hand soap is formulated with skin conditioners to increase its mildness while providing rich lather. This versatile product is gentle to the skin, biodegradable and pleasant to use. It may be used where cleanliness and economy are valued.

Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

Ready - to - use.

Wet hands and apply soap to work up a rich lather. Then thoroughly rinse.

pH balanced

More sanitary than bar soaps

Pleasant to use
