

APPEEL

NATURAL DEGREASER/DEODORIZER
DESENGRASADOR/DESODORANTES NATURAL

Technical Data

Where To Use

- Industrial cleaning of machines and parts
- Rubber marks, adhesives
- Concrete floors
- Asphalt and tar on equipment
- Softens chewing gum on carpets
- Drains, traps and sewage systems
- Dumpsters, kennels, grease pits
- Graffiti removal
- Food and grease soils in kitchens

Specifications

Available Sizes	12/20oz
Physical State	Liquid
Color	Orange
Fragrance	Citrus
Foam	None
Free Rinsing	No
Petroleum Distillates	Yes
Viscosity	Thin
Phosphates	None
Combustible	Yes
Biodegradable	Yes
Specific Gravity863
pH (undiluted)	NA
USDA	C1

HMIS Hazard Rating

Health	1
Flammability	2
Reactivity	0
Personal Protection	B

What the Pros Know

Many benefits are gained by using d-Limonene alone or with other emulsifying solutions. It will dissolve a wide variety of oils, fats, and greases. It naturally deodorizes organic malodors. It is easily rinsable if desired.

- Aggressive solvent - Fast and effective cleaner-degreaser
- Versatile uses - Replaces many other products
- Citrus fragrance - Long lasting deodorizer
- Dissolves greasy soils - Soils are easily washed away
- Natural emulsifier - Safer for the environment
- Highly concentrated - Dilute with water
- Non-corrosive - Safe on metals

The highly active solvent blend formula tackles the most difficult greasy soils without the use of alkaline detergents. This pleasant scented natural d-Limonene (orange peel oil) solvent emulsion cleaner can be diluted with water for a variety of heavy duty cleaning needs. It quickly dissolves grease and grime on most hard surfaces. Use this product to replace chlorinated solvent, acid, flammable and carcinogenic cleaners. Ideal for removing heavy petroleum soils, food soils, rubber marks, adhesives, inks and other water-insoluble soils. This product also performs well as a drain opener/maintainer.

Directions

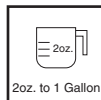

Wear safety equipment recommended on MSDS, and read all directions and cautions prior to beginning your work. See label for complete directions and use only as directed.

Degreaser: Use full strength applied directly to soil, or dilute with water for lighter cleaning. Apply by mop, sponge, trigger sprayer, pressure sprayer or in dip/soak tanks.

Drains and Grease Traps: Pour undiluted into drains or traps, allow to work overnight if possible, flush with water.

General Purpose Odor Control: Use 1 or 2 ounces of this product per gallon of diluted cleaning solution for use on walls, floors, toilets, sinks, showers, drains, garbage cans, etc.
