What the Pros Know

Effective odor counteractants quickly neutralize odors while living bacteria grow, multiply, and produce enzymes to permanently eliminate the odor source. Great for deodorizing carpets and a wide variety of other surfaces, including toilets, trash cans, floor drains, grease traps and more.

Team Pleasant Clean

This product is one of several that feature the exclusive "Pleasant Scent" fragrance. The pros know that when you select multiple products with a common fragrance you are insuring that your facility will give a positive impression. Insist on Team Pleasant Clean cleaners and odor counteractants for your carpets, hard surfaces and restrooms.

Description

Combines the effectiveness of enzyme-producing non-pathogenic bacteria, odor-encapsulating counteractants, and powerful fragrances. Neutralizes and eliminates offensive odors, leaving a pleasant lingering fragrance. Use directly on the odor source or as an additive to your carpet cleaning solution.

Directions

Read all directions and cautions on the label prior to using. Consult the MSDS for recommended personal protection equipment.

Odor Elimination: Dilute 2-4 ounces per gallon of water. Apply directly to the odor source, allow dwell time for effective odor elimination.

Cleaning Solution Additive: Compatible with most carpet cleaning and hard surface detergents for deodorizing while cleaning. Add 1-4 ounces per gallon of cleaning solution in a mop bucket, auto scrubber, or carpet extractor.

Important Notes: Do not combine with SSS Triple Sanitizing/Deodorizing Carpet Cleaner or EPA Registered disinfectants.
