What the Pros Know

Unique chemistry works on a wide variety of soils while DuPont Zonyl® Soil and Stain Protector enhances stain resistance of carpet fibers. Deodorizes while it spots.

THIS PRODUCT IS APPROVED BY: C&A FLOORCOVERINGS.

Description

A ready-to-use, multi-enzyme carpet spotter, odor eliminator and protector. This unique formula utilizes a broad-spectrum odor counteractant that chemically neutralizes the malodor, and a blend of enzymes that eliminate the odor at the source. Powerful solvents and detergents penetrate and lift soils for fast and effective cleaning. Available in both the quart spray bottles or the handy container of 30 wipes. Cherry Almond fragrance.

Directions

Read all directions and cautions on the label prior to using. Consult the MSDS for recommended personal protection equipment.

LIQUID

1. Remove solids and blot excess liquids with a clean, white absorbent cloth.
2. Apply spotter. Do not over wet the carpet.
3. Agitate lightly with SSS Brush/Scraper. Work from the outside of the spot to the center.
4. Allow 1 to 3 minutes dwell time.
5. Blot with a clean, white absorbent cloth. Use SSS Brush/Scraper with a tamping action.
6. Rinse well with water and blot dry. For best results, rinse and extract with SSS Power Spotter.

WIPES

1. Remove solids and blot excess liquids with a clean white absorbent cloth.
2. Apply the wipe to the area in a light blotting motion working from the outside of the spot to the center.
3. Continue to apply until the spot is removed.
4. For best results, rinse well with water and blot dry.
5. Be sure to close container cap tightly after use and before storing.
6. Wash hands thoroughly with soap and water.

Important Notes: Pre-test carpet for colorfastness in an out-of-sight area. Difficult spots may require additional dwell time or repeated applications. Avoid rubbing and aggressive agitation, which may spread the stain and damage carpet fibers. Always wear appropriate gloves, safety goggles or glasses.
