Description

This comprehensive spotting kit contains the solutions and tools necessary to remove your most difficult spots and stains from carpet and upholstery. Complete with 6 specialty spotters, tamping brush, carpet scraper, microfiber towel, 5 trigger sprayers, and a spot removal guide, all in a durable molded caddy carrying case.

Difficult stains need specific treatment to remove properly. The laminated, bilingual spotting guide identifies the best sequence of products for removal of more than 40 spots and stains.

Professional-Grade Formulations

Number-Coded for Easy Identification

Convenient Carrying Case

Refills Available

What the Pros Know

Spot as soon as possible. Be patient, some difficult spots can take several spotting applications. Not all stains can be removed completely due to differences in fibers, dyes, carpet construction, type of stain, length of time the stain has remained on the fiber, etc.

TRIPLE S SPOTTING KIT GUIDE

1 BIO-ENZYMATIC SPOTTER

2 BROWN STAIN REMOVER

3 RED STAIN REMOVER

4 RUST REMOVER

5 CITRUS GEL SPOTTER

6 CHEWING GUM REMOVER (Aerosol)
