Equipped with a high torque motor, the SSS Edger provides powerful cleaning action for a wide range of uses. The trigger power grip and adjustable handle mounted grip make the unit versatile and easy to use. The Edger is excellent for cleaning baseboards, stairs, restrooms, elevators, entrance areas, locker rooms, kitchens and other congested areas. The unit includes a 6" pad driver, 3" x 6" Mal-Grit brush, splash guard and brown strip pad – a great value.

SSS Edger accessories increase the versatility of your machine. Other accessories available for hard floor, wood floors, carpet and other surfaces include a polypropylene scrub brush and carpet bonnet.
