Standard & Hi-Speed XL Floor Machines

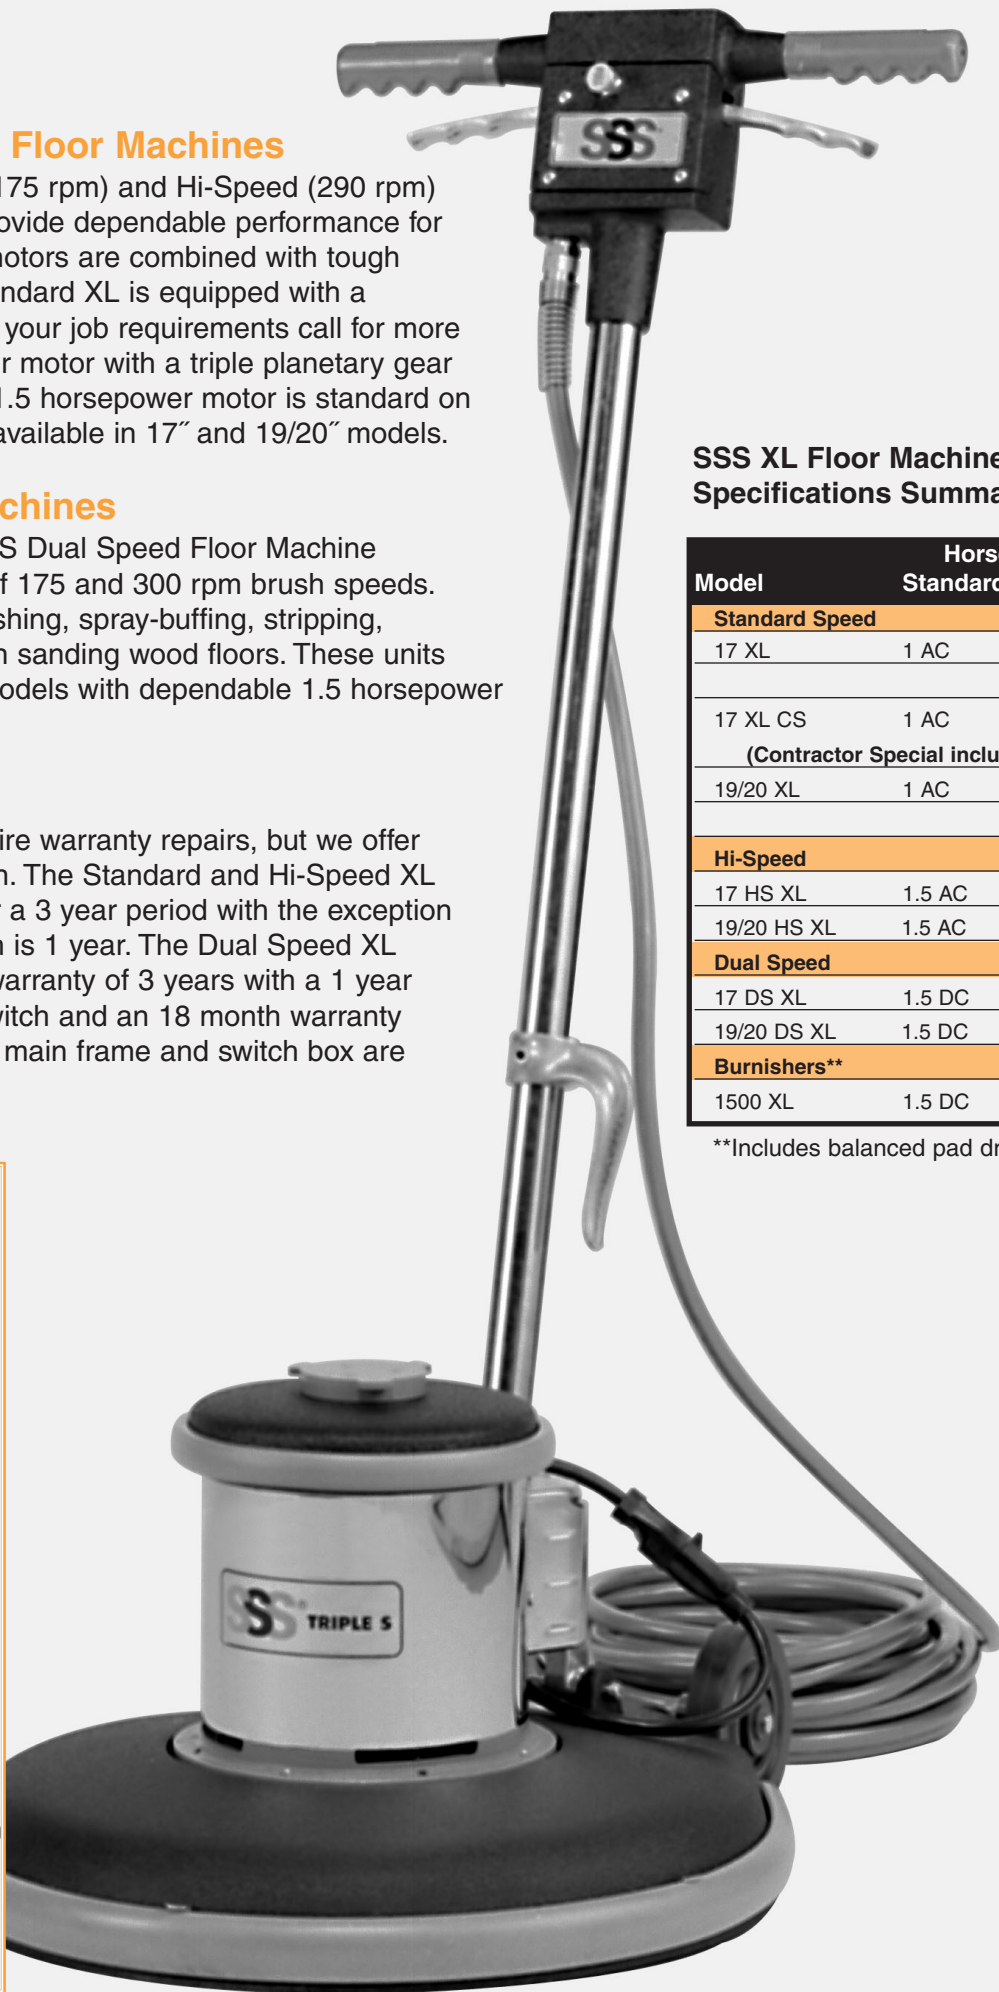

Easy to maintain, the Standard (175 rpm) and Hi-Speed (290 rpm) XL Floor Machines are built to provide dependable performance for many years. Powerful 66 frame motors are combined with tough cast aluminum housings. The Standard XL is equipped with a 1 horse-power industrial motor, if your job requirements call for more power an optional 1.5 horsepower motor with a triple planetary gear assembly may be substituted. A 1.5 horsepower motor is standard on the Hi-Speed XL. Both units are available in 17" and 19/20" models.

Dual Speed XL Floor Machines

With just a flip of a switch the SSS Dual Speed Floor Machine provides you with the versatility of 175 and 300 rpm brush speeds. These units are excellent for polishing, spray-buffing, stripping, scrubbing, shampooing, and even sanding wood floors. These units are available in 17" and 19/20" models with dependable 1.5 horsepower (DC) motors.

Warranty Information

Most of our machines never require warranty repairs, but we offer one of the best for your protection. The Standard and Hi-Speed XL Floor Machines are warranted for a 3 year period with the exception of the 20 amp on/off switch which is 1 year. The Dual Speed XL Floor Machines have an overall warranty of 3 years with a 1 year warranty on the 20 amp on/off switch and an 18 month warranty on the motor. The cast aluminum main frame and switch box are warranted for 10 years.*

XL Burnisher

The 1500 XL is a single speed burnisher powered by a 1.5 hp DC motor. Use of a cast aluminum and steel construction materials give you dependable performance even under the toughest of conditions for years to come. It's equipped with a flexible pad driver and a warning light that indicates when the motor brushes need replacement.

The XL Burnisher has an overall three (3) year warranty; a 1 year warranty on the 20 amp on/off switch and the belts; and an 18 month warranty on the motor. The cast aluminum main frame and switch box are warranted for 10 years.*
