Replacement Battery Price	\$ 315.00	\$999.00	\$749.00
Replacement Charger Price	\$140.00	\$199.00	\$199.00
Battery	Lithium-Ion polymer	Lithium-Ion polymer	Lithium-Ion polymer

## KEY POINTS

- Weighing 16 pounds, the SSS 1500B HEPA BPV is 6 -16% lighter, with less noise than other units.
- The patented ribs ensures suction since the bag is never allowed to seal against the side of the tank cutting off the flow of air. This is critical on battery powered equipment due to motor size.
- The SSS 1500B HEPA BPV has a floor tool specifically designed to performance.
- The on/off switch and power level indicator are visible to the operator while in use.
- Lower cost battery option for additional productivity or replacement.
- Double your productivity by purchasing a spare battery and still save over \$500-\$1200!
