

 **ASTORIA Select**

The Newest Proprietary Restroom System Additions to the Triple S Portfolio!

Introducing our newest proprietary Astoria Select Roll Towel dispenser systems which, when paired with the Astoria Select Extra Long Roll Towel, translates to fewer roll replacements, freeing maintenance staff to focus on other tasks. These dispensers provide controlled dispensing so overall consumption is reduced, resulting in fewer replacement purchases. The high quality, soft and absorbent 1000 ft. towel provides a great hand drying experience with less chance of run outs, which influences a positive overall customer experience, leading to repeat business.

TOWEL

FEATURES

- Thru-Air-Dried (TAD) technology offer superior absorbency and hand drying efficiency, reducing overall towel consumption
- Dispensing strength reduces “wet tabs” washroom litter
- Extra Long Roll Towel reduces the number of refills required
