

# Counter Top / Portable Skin Care

ON THE SINK

Our freestanding portable pump bottle is the perfect hand hygiene solution for restroom sinks, service counters and desks. The attractive bottle can be used on the right or left - product identification is still in full view. Add the sturdy bracket for wall mounting is the best option. This is an ADA compliant system.

Choose from a large selection of FoamClean foam soaps and sanitizers, which hold 950 mL and dispense 0.8 mL per push.

ON THE WALL

## Counter Top / Portable Skin Care

Foam soaps and sanitizers
